

### Information

A statused member of the Hospitalers Sect can take the title of Priest.

- Eminent High Priest: Brother John

### Background

The Hospitalers are a Sect of the Good Sphere. They are dedicated to the preservation of life and the curing of all injuries and afflictions. Many Hospitalers (although by no means all) tend to have a pacifistic outlook and seek to avoid conflict wherever possible. Even the carrying of weapons is frowned upon by the Sect. Because of the extremely giving nature of this sect, it gratefully receives anything its members can donate whenever and wherever possible.

#### Notable Guildmembers

- Sister Mary - Human High Priestess and Hero of the Alliance
- Rahima - Human High Priestess and Hero of the Alliance
- Suliman - Priest of the Hospitalers who sacrificed himself to protect the Hall of Heroes (last step of the afterlife) from invaders

### Requirements to Join

The Hospitalers will accept for membership anyone who makes a vow never again to harm a living creature by any means. Failure to uphold this vow will result in expulsion from the Sect.
