

Will the event have catering?

All Heroquest events are fully catered. You can be assured of:

- a hot breakfast
- a packed lunch or buffet style lunch
- a hot evening meal (there will be a vegetarian option)

If you have extra dietary requirements you should let Heroquest know when you're making your booking. We always endeavour to accommodate all-comers.

You should always bring your own snacks and drink (including any alcohol) for the entire event.

Players food is already incorporated into their event payment.
